The financial up-gradations granted to the above officials are subject to, inter-alia, the following conditions:-

The financial up-gradations will not result in change in designation of the beneficiaries, i.e., the financial benefit is granted with the retention of his old designation and the said financial up-gradation shall not confer any privilege related to higher status.

The financial up-gradation under the MACP Scheme shall be purely personal to the incumbents (officials) and shall not amount to actual functional promotion of the officials concerned. And it shall have no relevance to their inter-se seniority position, and as such, there shall be no additional financial upgradation for the senior officials on the ground that the junior officials have got higher pay scale(s) under the Scheme. The concept of "Senior-Junior" is quite alien to the idea behind the MACP Scheme.

Grant of higher pay-scale(s) under the MACP Scheme shall be conditional to the fact that the above officials, while accepting the aforesaid financial benefit, shall be deemed to have given their unqualified acceptance for promotion on occurrence of vacancy subsequently.

Benefit of pay fixation available at the time of regular promotion shall also be allowed at the time of financial upgradation under the Scheme. There shall, however, be no further fixation of pay at the time of regular promotion if it is in the same Level of Pay Matrix as granted under MACPs.

Further, while implementing the MACP Scheme, the differences in pay scales on account of grant of financial upgradation under the old ACP Scheme (of August 1999) and under the MACP Scheme within the same cadre shall not be construed as an anomaly.

The above officials shall exercise option under FR 22(I) (a) (1) to get their pay fixed in the higher Pay Level either from the date of their up-gradation or from the date of their next increment. Such option (exercisable within one month from the date of receipt of this order) once exercised shall be treated as final.
