The above financial up-gradation is subject to the following conditions:-

1. The financial up-gradation will not result in change in designation of the beneficiary, i.e., the financial benefit is granted with the retention of his old designation and the said financial up-gradation shall not confer any privilege related to higher status.
2. The financial up-gradation under the MACP Scheme is purely personal to the incumbent and does not amount to actual functional promotion of the official concerned. It has no relevance to his inter-se seniority position, and as such, there shall be no additional financial upgradation for the senior officials on the ground that the junior officials have got higher pay scale(s) under the Scheme. The concept of "Senior-Junior" is quite alien to the idea behind the MACP Scheme.
3. Benefit of pay fixation available at the time of regular promotion is allowed at the time of financial upgradation under the Scheme. There shall, however, be no further fixation of pay at the time of regular promotion if it is in the same Level of Pay Matrix as granted under MACPs. However, at the time of actual promotion if it happens to be in a post carrying higher Level in Pay Matrix than what is available under MACPs, no pay fixation would be available and only difference in Level of Pay would be made available.
4. The above official shall exercise option under FR 22(I) (a) (1) to get their pay fixed in the higher Pay Level either from the date of their up-gradation or from the date of their next increment. Such option (exercisable within one month from the date of receipt of this order) once exercised shall be treated as final.

This is issued with the approval of the Chief Commissioner.
